ISLE OF WIGHT  
**AIR AMBULANCE**

## KEEP US FLYING AND SAVING LIVES

Every mission starts with you. Your support will help us reach the most critically ill and injured people in Hampshire and the Isle of Wight, giving them the best chance of survival or recovery. Take a look at how you can make a life-saving difference and support your Air Ambulance.

## BREW FOR THE CREW

Put the kettle on, grab the biscuits and hold a tea and coffee morning for our life-saving service.

Choose a date, gather your own crew and you will be helping to keep us responding to people when they need us the most.

## IT'S TIME FOR A CUPPA!

We have table cloths, posters and collection pots that will put the cherry on top of your coffee morning cake. Contact us and we'll send you some. [fundraising@hiowaa.org](mailto:fundraising@hiowaa.org)

## RECYCLE FOR YOUR AIR AMBULANCE

Donate your unwanted clothing to us and you'll be helping to raise vital funds. For every tonne of clothing collected, we receive £210.

We have teamed up with Recycling Solutions to provide a home collection service. Or you can drop your bags off at one of our local clothing banks.

Find your nearest recycling bank by visiting our website.

## MILES FOR MISSIONS

We've responded to over 16,000 missions since our first life-saving flight in 2007. You can help us be there for our next call by strapping on your walking boots and head outside to walk Miles for Missions!

You can set the distance for this virtual event. Gather your friends, plan your route and collect sponsorship to support your Air Ambulance charity.

## SWAP MILES FOR MISSIONS

Email [events@hiowaa.org](mailto:events@hiowaa.org) today to get started.

## DONATE MONTHLY

As a charity, we receive no government funding and rely entirely on our local community to keep us life-saving ready.

You don't need to wear a flight suit or fly through the skies 365 days a year to be a vital part of this team. A monthly donation will help us to attend thousands of critical emergencies every year, from road traffic collisions to cardiac arrests.

Be there for us by setting up a monthly donation today. Visit [hiowaa.org/donate](https://hiowaa.org/donate) to get started.
